

How it all fits together

Conservation legislation

These legislative documents tell us what we are accountable for.

Conservation Act 1987

Other Schedule 1 Acts

National Parks Act 1980

The general policies

The Conservation General Policy and the General Policy for National Parks, which we call general policies, set the vision and direction for how we fulfil our responsibilities under the Acts.

Conservation General Policy

General Policy for National Parks

Conservation Management Strategies

Conservation Management Plans

National Park Management Plans

Strategies and plans

These sit beneath the general policies and describe what we want to achieve within a place and how we will do it.
