

# Applicant Information Form 1a Notified or Non-notified Process

Department of  
Conservation  
*Te Papa Atawhai*

New Zealand Government

## Is this the right application form for me?

This **Applicant Information Form 1a – Notified or Non-notified Process** must be completed for the following longer term applications (i.e. not one-off applications):

- Grazing
- Land use: Tenancing and/or using existing DOC facility/structure
- Land use: Use of public conservation land for private commercial facility/structure
- Guiding/Tourism/Recreation: Watercraft activities
- Filming
- Sports events
- Marine reserves application form 11a: Structure in a marine reserve

For other activities use the specific activity application forms that combine applicant and activity information or book a pre-application meeting.

## How do I complete this applicant information form?

- Complete all sections of this **applicant information form**.
- In addition, you must complete the **activity application form/s** that you wish to undertake.
- DOC encourages electronic applications (e.g. typed Word document), rather than handwritten applications. Electronic applications are easier to read and less likely to be returned to you for clarification.
- If you need extra space, attach or include extra documents and label them according to the relevant section. Record all attachments in the table at the back of the application information form section **F Attachments**.

## How do I submit my application?

Email the following to [permissions@doc.govt.nz](mailto:permissions@doc.govt.nz):

- **Completed applicant information form 1a**
- **Completed activity application form**
- Any other relevant attachments.

## If I need help, where do I get more information?

- Check the [DOC webpage for the activity you are applying](#)<sup>1</sup> for.
- Arrange a pre-application meeting (either face to face or over the phone) by contacting the [Department of Conservation Office](#)<sup>2</sup> closest to where the activity is proposed. You can use [DOC](#)

---

<sup>1</sup> <https://www.doc.govt.nz/get-involved/apply-for-permits/apply-for-a-permit/>

[maps](#)<sup>3</sup> to identify which District Office you should contact. Or arrange a meeting with any of our [four offices that process concessions](#)<sup>4</sup> – choose the one closest to where the activity is proposed.

- If your application covers multiple districts, contact the office nearest most of the locations you are applying for, or nearest to locations you have a specific question about.

### What happens next?

Once your application forms are received, your application will be assessed by DOC. If your application is complete, DOC will begin processing.

If your application is incomplete it will be returned to you for more information.

### Why does DOC ask for this information?

The questions in this application information form and the activity application form/s are designed to cover the requirements set out in conservation legislation. Your answers allow us to assess:

- Your most up-to-date details so that DOC can contact you about your application.
- Your qualifications, resources, skills and experience to adequately conduct the activity on public conservation land.
- Your creditworthiness will help determine whether DOC should extend credit to you and set up a DOC customer accounts receivable credit account for cost recovery. To make this assessment DOC will supply your information to a credit checking agency.

### Note:

- Personal information will be managed by DOC confidentially. For further information check [DOC's privacy and security statements](#)<sup>5</sup>.
- Information collected by DOC will be supplied to a debt collection agency in the event of non-payment of payable fees.

### What fees will I pay?

You may be required to pay a **processing fee** for this application regardless of whether your application is granted or not. You may request an estimate of the processing fees for your application. If you request an estimate, DOC may require you to pay the reasonable costs of the estimate prior to it being prepared. DOC will not process your application until the estimate has been provided to you. In addition, if you are granted a guiding concession on public conservation land you may be required to pay annual **activity and management fees**. These fees are listed on the [DOC webpage for the activity you are applying](#)<sup>6</sup> for.

DOC will invoice your processing fees after your application has been considered. If your application is large or complex, DOC may undertake billing at intervals periodically during processing until a decision is made. If you withdraw your application DOC will invoice you for the costs incurred up to the point of your withdrawal.

**Your application will set up a credit account with DOC.** See the checklist at the end of the form for the terms and conditions you need to accept for a DOC credit account.

## Will my application be publicly notified?

Your application will be publicly notified if:

- It is a license with a term of more than 10 years.
- It is a lease.
- After having regard to the effects of the activity, DOC considers it appropriate to do so.

Public notification will increase the time and cost of processing of your application.

## What does DOC require if my application is approved?

If your application is approved DOC requires:

- **Insurance** to indemnify the Minister of Conservation against any claims or liabilities arising from your actions. The level of insurance cover will depend on the activity.
- A copy of your **safety plan** audited by an external expert (e.g. Health and Safety in Employment (Adventure Activity) Regulations 2011 audit or a DOC listed organisation). See the [Safety Plan](#)<sup>7</sup> information on the DOC website for further information.

**Note:** DOC/Minister can vary the concession if the information on which the concession was granted contained material inaccuracies. DOC may also recover any costs incurred.
