

DOC Community Fund – round 9

What cannot be funded by the DOC Community Fund

Costs not eligible for funding include:

- Academic scholarships, conferences, or funding towards academic achievement
- Activities that individuals, organisations or councils are required to do by law
- Debt repayment or the refinancing of loans
- Firearm and ammunition purchase
- Land purchase
- Local and central government fees and charges, except for fees associated with applying for resource consent but excluding costs for the public notification of an application and other associated costs (e.g. related to hearings).
- On-funding (i.e. using grant to issue grants to third parties)
- Participation in statutory processes or litigation
- Proposals that are designed to generate personal or commercial profit
- Reimbursement of landowner time or voluntary labour
- Retrospective costs (i.e. costs incurred prior to a Deed of Grant being signed)
- The development of an activity for which public use will be restricted by copyright or patent
- Vehicle purchase
- Venture capital

More information will be available in the Guide for Applicants at the time of the opening of the round.
