

SPA PARK, TAUPŌ - SPA PARK PERFECTION!

1. Mt Tauhara: Before heading down the track, look to the east to see our town's beautiful maunga – Mt Tauhara.
2. Play Hill: Time for rollie pollies! We dare you to roll all the way down! Can you then walk straight?
3. Viewing Platform: Stand on the viewing platform to see where the hot waters of the Otumuheke Stream meets the crystal-clear waters of the Waikato River. Can you spot anyone having a dip today?
4. Stream Sounds: Follow the track along the stream, but listen up! Is the water flowing loudly or quietly?
5. Tree Ferns: Take a little detour. Stand on the second bridge. Can you see the tree ferns on the stream banks? Where have you seen silver ferns before? Please give way to mountain bikes!
6. Paper Clip: Climb the hill to the big red paper clip. How high do you think it is?
7. Bellbirds: Head down the other side of this hill under the large trees. How many birds can you see or hear?
8. Flying Fox: Find the Flying Fox and have a zip down. Did you reach the tyre at the end?
9. Playground: Around the playground, can you see a blue bike hiding somewhere really high?

Health and Safety:

Easy terrain. Approximately **45 minutes** to walk loop while doing activities at each station.

Take care around the waters of Spa Park - geothermal water can cause burns and there are swift currents in the Waikato River.
