

5.3 MISTLETOE PHOTOS

Figure 1 *Ileostylus micranthus*

Figure 2 *Tupeia antarctica*

Figure 3 *Alepis flavida*

Figure 4 *Peraxilla tetrapetala* in flower

Figures 5&6 *Peraxilla tetrapetala* response to caging, Littles Clearing

Figure 7 *Peraxilla tetrapetala* uncaged at Littles Clearing

Figure 1 *Ileostylus micranthus*.
Top: growing on totara, central
Hawke's Bay. Bottom: growing
on a small-leaved shrub. Photos
Geoff Walls.

Figure 2 *Tupeia antarctica*. Plants resprouted from stubs embedded in the bark of putaputaweta trees, following sustained possum control, William Hartree Memorial Scenic Reserve. Photos Geoff Walls.
